Tiago
Gonçalves

Brazilian **developer** with 10 years of experience as a **designer**, so I'm looking for a company where both skills come into play.

I am proficient within **React (HTML, CSS, JS)** and I have a solid knowledge of Rest API using **Node.js, Express, MySql (Knex.js)**.

With a background as a designer, I am also highly skilled in **quickly mock-up ideas** and I also have vast experience designing art exhibitions and catalogs.
